Course Information – to be retained by the candidate

Course Overview:

The internationally recognised Royal Lifesaving Society (RLSS UK) National Pool Lifeguard Qualification (NPLQ) is not only a qualification that will train you to become a Pool Lifeguard but can also be a stepping stone into a career within the leisure industry. In order to perform lifeguard duties, candidates must be physically fit, have good vision and hearing, and be mentally alert and self-disciplined. The course requires a minimum of 36 hours training and requires **100% attendance**. The course will be delivered using a variety of methods including:

- PowerPoint Presentations
- Flip Chart Exercises
- Guided Group Discussions and Activities
- Practical Demonstrations and Training

The NPLQ certificate is valid for 2 years from the date of successful completion of the course.

All delivery of the course syllabus will follow RLSS Covid-19 protocols and industry guidance.

Topics Covered:

The NPLQ covers all elements of Pool Rescue Techniques, Lifeguard Theory, First Aid and CPR. The course is physically demanding and will include swimming to set times, lifting casualties and diving to the deepest part of the pool. Approved prior learning can be applied upon proof of certification, please ask your trainer for further details. For full details on the courses content and to view IQL UK policies, please visit

<https://www.rlssdirect.co.uk/policies-and-marketing/>

Integrated Qualifications:

Qualification: AED (Automated External Defibrillator). Certification: NPLQ + AED

Equipment Required:

You are required to bring the following items to the course:

- Photographic Identification (must be shown to the trainer on the first day of the course)
- A whistle
- Swimming costume
- Towel
- Shorts and t-shirt to be worn in the water
- Pen / pencil

Some of the days may include water work on more than one occasion and candidates may prefer to bring two sets of towels, shorts and t-shirts. **The course will adhere to RLSS Covid-19 restrictions and training protocols.**

Course Assessment:

The NPLQ course syllabus and practical skills are continually assessed by the course trainer and a suitable level competence must be achieved to be put forward for a final independent assessment. The assessment will include written theory questions and practical demonstrations of water rescue skills, CPR and First Aid. The assessment will take place on the 31st October 2020. Please allow 3.5 hours for the assessment duration. Times to be confirmed at the start of the course.

If you have any questions prior to the start of the course, please feel free to contact your course trainer using the details below.
