

A black and white line drawing of a landscape. In the top left corner is a smiling sun with a face, rosy cheeks, and radiating rays. Below the sun, a winding path leads from the bottom left towards the center. On the left side of the path stands a small, rounded tree. Further along the path, on the right side, stands a larger, more complex tree with multiple branches. In the background, there are rolling hills represented by simple curved lines. Two birds are shown in flight in the upper right sky area, depicted with simple wing shapes. The entire scene is composed of clean, black outlines on a white background.
