

Water Safety In the Pool

DANGERS

Can you number the following dangers on the picture?

- 1 Always watch children near water, keep within arm's length
- 2 Deep water is for good swimmers only
- 3 Check the water is clear before jumping in and don't bomb
- 4 Flumes are great fun but follow the rules
- 5 Floors will be slippery, don't run
- 6 Never mix alcohol and swimming
- 7 Don't swim under diving boards
- 8 Trained lifeguards are there to keep you safe, listen to them carefully

**Always follow the
WATER SAFETY CODE**

Water Safety in the Pool

POOL Water Safety Advice

ONLY SWIM at a lifeguarded pool

PAY ATTENTION to the pool safety signs

STAY in the right depth for you

USE FLOATS or wear inflatables if you aren't a strong swimmer

HAVE regular swimming lessons
